13. (Internal Use Only - PLC) LEGISLATION Met with Tom Hart, Senate Judiciary Committee staff, and discussed our problems with the financial disclosure provision in S. 495, Watergate Reform Act. Hart suggested an Agency position letter be sent to Chairman James Eastland (D., Miss.). He is certain the bill has no chance of passage but agreed it is best to have the legislative history. 25X1 16. (Internal Use Only - PLC) LEGISLATION At the request of [REDACTED] DD/OP, I called Dick Fuller, Senate Post Office and Civil Service Committee staff, and inquired as to when Senate floor action would be scheduled on H. R. 3650, a bill concerning reemployed annuitants. Fuller said it is not possible to project when the bill will come up, but 25X1 assured me that it should pass easily when considered. I alerted [REDACTED] who will start gearing up to meet the impact of the legislation. The bill would require all agencies to bear the full cost of the salaries of reemployed annuitants, rather than most of the salary coming from retirement funds.
